MAHMOOD RAGHIB AHSAN

Growth Marketing Specialist | Sales & Marketing | Edtech

PROFESSIONAL SUMMARY

Results-driven Growth Marketer with 3.5+ years scaling educational admissions through marketing technology, institutional partnerships, and CRM automation. Drives multi-channel lead generation and demand generation by combining on-ground outreach with digital tracking, performance analytics, and conversion rate optimization to maximize the enrollment funnel. Delivered 20% admissions growth and closed 40+ educational partnerships at an 80% success rate.

PROFESSIONAL EXPERIENCE

Growth Marketing Specialist | Bismil International Academy

Patna, India • Apr 2026 – Present

- Strengthened institutional partnerships across schools and colleges, improving inquiry-to-campus-visit conversion rates and overall enrollment engagement.
- Engineered a custom CRM using Google Apps Script and optimized website UX to streamline admissions workflows and funnel management.
- Integrated Meta Developer APIs with Google Sheets to automate performance reporting on ad campaigns, enabling real-time admissions and lead visibility — contributing to 20% overall admissions growth.
- Executed multi-channel demand generation, blending offline outreach with digital lead tracking to strengthen the admissions pipeline.
- Implemented conversion tracking via GA4, Microsoft Clarity, and Meta Pixel, and configured site infrastructure on VS Code, GitHub, and Cloudflare to reduce bounce rates and improve site performance.

Senior Associate – Outreach & Partnership Marketing | Hi-Tech Institute of Engineering & Technology

Delhi NCR, India • Oct 2025 – Mar 2026

- Established an institutional outreach pipeline from the ground up, securing 40+ school and college partnerships across Delhi NCR at an 80% close rate.
- Delivered career workshops reaching 500+ prospective students, addressing enrollment hesitation and accelerating decision-making.
- Built automated dashboards using Google Apps Script, giving leadership real-time updates on regional lead conversion and outreach results.

Business Development Executive – Outreach & Collaboration | Self Prep IAS

Patna, India • Oct 2023 – Sep 2025

- Expanded institutional channels and restructured the sales funnel, driving an 18% increase in monthly admissions revenue within the first year.
- Closed 100+ high-intent leads through consultative counselling sessions at a 70% conversion rate.
- Built coaching-centre alliances that grew market reach by 30%, and automated reporting workflows to cut turnaround time by 70%.

Admissions Coordinator | Khadimul Islam

Patna, India • Mar 2022 – Oct 2023

- Oversaw full-lifecycle admissions operations, managing high-volume advisory calls and candidate tracking pipelines.
- Guided prospective families through enrollment requirements and onboarding procedures.
- Digitized student records and admissions pipelines in Excel, delivering weekly progress reports to senior management.
